South Australian Living Artist Publication HANDBOOK

About the Grant

The annual South Australian Living Artist Publication supports the production of a major, high-quality book profiling an established South Australian visual artist with a significant track record of achievement in their area of practice. The book is developed and published in conjunction with the Board of the South Australian Living Artists (SALA) Festival and Wakefield Press.

The South Australian Living Artist Publication is designed to position South Australian visual art, craft and design practitioners in a national and/or international context.

The publication will:

- be a strategic promotional tool to assist in the development of the artist's audience and career profile

- focus on the artist's current practice and future career directions rather than take a purely retrospective approach in celebrating the artist's history

- provide a comprehensive analysis of the conceptual approach of the artist

- provide a significant resource for curators, galleries, collectors, researchers and students.

It also aims to support the development and profile of South Australian arts writers through:

- commissioning a professional arts writer (or writers) to write the book

- building the successful writer's catalogue of independent publications

- providing a mentorship opportunity for an emerging South Australian arts writer.

Nominations are invited from individuals and organisations for practising professional visual art, craft and design practitioners working and living in South Australia. Self-nominations will also be accepted.

Nominees will include a South Australian arts writer or writers to develop the content of the book and an emerging South Australian writer to undertake a mentorship.

The writer will be commissioned to research and prepare a major essay of approximately 6000 words, prepare a comprehensive CV and a bibliography of the artist and manage the selection, captioning and crediting of images used in the publication. The emerging writer will assist the writer at all stages of the project.

This category is assessed by a mix of:

- representatives of the SALA Festival Board and Wakefield Press

- Arts South Australia Visual Arts, Craft and Design assessment peers

- representatives of the broader independent arts sector.

The decision of the peers is final, and feedback will not be provided.

It is expected that the book will be released to coincide with a major exhibition of the artist's work.

The exhibition must at least be of national significance and may be international.

Amounts Available

The successful artist is not paid a fee, but will be the subject of a high-quality book published by Wakefield Press that will be released during the SALA Festival. The successful writer(s) and emerging writer will be paid a stipend through Arts South Australia (total of \$10,500 shared between all writers) to research and write the book.
