ABOUT THE GRANT

The Individual Artist Development program assists with professional development opportunities. Artists and arts administrators can apply for support to undertake training that is relevant to their art practice, which can include:

- mentorships
- arts related business courses
- work placement, secondment or attachment to festivals or arts organisations
- master classes
- workshops
- attendance at conferences.

Mentorships are a way to develop new artistic and conceptual skills and focus on career planning and professional capacity building. They are usually self-directed. Artists should plan, initiate and develop their proposal with their chosen mentor. You can apply for fees to pay a mentor, studio hire fees and travel to facilitate the mentorship.

Emerging artists can apply to undertake a one-on-one professional relationship with a leading arts practitioner.

Established artists wishing to undertake mentorships can apply through the Project Assistance program. Individual Artist Development also provides funding for individuals to undertake arts-related business courses through approved and recognised training organisations. Examples include:

- a musician taking a music management or marketing course at Ausmusic SA
- participation in community arts and cultural development courses offered by appropriate training institutions or arts organisations
- attendance at interstate arts-business short courses not available in South Australia.

Funding is available to subsidise short course fees for training. Funding is not available for long-term training, accommodation or travel expenses.

ABOUT THE GRANT

Applicants seeking funding to undertake master classes, workshops or conference attendance must show how the activity will benefit their arts practice development.

This program also supports work placements, secondments or attachments to some of South Australia's leading festivals or organisations.

You must show how such an opportunity would benefit your arts practice development. Any study undertaken in association with the placement must be through an approved and recognised organisation.

APPLICATION ADVICE

APPLYING AS AN ORGANISATION

If you are applying as an organisation (this includes any group, band, act or collective of more than one person), you will need to go to the My Organisations section of the portal and request that you are associated to an existing or new organisation.

Once you have submitted your request to be associated with an organisation, Arts South Australia will review and verify your request or contact you to discuss further.

You will be able to start an application on behalf of an organisation once your request has been verified. Please allow sufficient time for the verification process to ensure your application can be submitted before the closing date.

You may also apply as an individual and clearly articulate in your key application attachments that you are applying on behalf of a group, band, act or collective of more than one person. If you choose this option, your application will be managed as if you have applied as an individual.

ELIGIBILITY

Arts South Australia may ask you to confirm your Aboriginal and Torres Strait Islander identity. This must be approved by an organisation registered under the Corporations (Aboriginal and Torres Strait Islander) Act 2006.

You are also asked to identify your professional status on the application form which will be taken into account.

Applicants must be Australian citizens or have permanent resident status and live, or be primarily located, in South Australia.

South Australian Government funded arts and cultural organisations¹ may apply to the Project Grants category for international touring.

Employees of South Australian Government funded arts and cultural organisations may apply for project opportunities. Applications must be for activity which is outside the day-to-day requirements and duties of the applicant's employment. Applications must include a statement from the employer confirming that the activity has been initiated by the applicant, not the organisation.

Applicants with overdue acquittal/s are not eligible for further funding.

The following applications are ineligible:

- projects already completed, or due to be completed, before the commencement of the funding period. Funding will not be provided retrospectively
- projects without professional outcomes, such as amateur productions, the self-publication of literary works, fundraising, competitions, awards and prizes, as well as projects forming part of a course of study, including graduation activities
- screen-based projects aimed at the cinema, film festivals or television, and media projects with a purely commercial outcome. Some activity will be eligible when incorporated into projects in other art form areas. Speak to Arts South Australia if you are unsure
- start-up business costs (including the building of new websites) and the purchase of basic equipment. Speak to Arts South Australia if you are unsure.

¹ Organisations funded through Arts South Australia (Major Organisations and Arts Organisations Program), Department of Industry and Skills and Department for Education and Child Development

Protocols can be downloaded [here](#).

ASSESSMENT

It is important to note that while Arts South Australia staff manage the funding programs, they do not determine the final outcomes.

Peer assessment is central to Arts South Australia's funding process. Peer assessors are individuals who are recognised for their artistic achievements, artform knowledge and professional standing. Most peers are practicing artists, but they may also be arts managers and arts workers, or have relevant knowledge and experience.

Peer assessors make funding recommendations to the Premier (or delegate) for approval.

Peers usually meet for one to two days and rigorously assess applications against the criteria. If necessary, an application may be sent to external assessors for comment.

There is usually a greater number of worthy applications than the available funds can support.

A summary of funding outcomes will be available on Arts South Australia's website following notification of applicants. Feedback on successful and unsuccessful applications is available by contacting an Arts South Australia officer.

FUNDING AGREEMENTS

Successful applicants will be required to enter a funding agreement with Arts South Australia for the period of funding.

REPORTING

Successful applicants will be expected to provide an artistic, statistical and financial acquittal within three months of the completion of the funding period.

APPROVAL, NOTIFICATION AND ADVICE

All applicants will be notified of funding outcomes by email in advance of the commencement date for the round. Return of funding agreements and payment invoices will be managed through Arts South Australia's online grants portal.

Applicants are encouraged to seek feedback from Arts South Australia to assist with future applications.

DRAFT (UNSUBMITTED) APPLICATIONS

All draft (unsubmitted) applications will be deleted from the online grants portal one month after the round closing date.

Please email ASAGrants@sa.gov.au if you wish to retain access to a draft application.
