IMPORTANT INFORMATION

WORKING WITH CHILDREN IN ART

Arts South Australia has protocols to address the depiction of children in works, exhibitions and publications that it funds.

The protocols are designed to help artists and arts organisations understand their legal obligations and to establish responsible steps for artists when they are involving children in the creation, exhibition or distribution of creative works (including photography, painting, printmaking, performance, sculpture, written text, drawing and digital imagery).

Protocols can be downloaded [here](#).

RESPECTFUL BEHAVIOURS

The safety and wellbeing of everyone working in, and engaging with, the South Australian arts and cultural sector is of paramount importance. Arts South Australia is committed to a zero-tolerance approach to all forms of victimisation, bullying and harassment, including sexual harassment.

Arts South Australia has taken a proactive, leadership approach to this serious issue, announcing that from 1 March 2018 it is a condition of all Arts South Australia funding and grants that recipients must adopt and implement a Respectful Behaviours policy and procedure.

Further information about Respectful Behaviours, and resources to assist you to develop a policy and procedure for your organisation or project, are available [here](#).

ABORIGINAL AND TORRES STRAIT ISLANDER PROTOCOLS

Arts South Australia endeavours to work with artists and organisations to ensure respect and acknowledgement for Aboriginal and Torres Strait Islander people and cultures at every stage of a project's development.

For more information on ATSI protocols click [here](#).

AFTER YOU SUBMIT YOUR APPLICATION

PROCESSING

Applications are registered and processed by Arts South Australia staff. You will receive acknowledgment of receipt of your application via email. Submitted applications can be viewed at any time by logging into the portal.

ASSESSMENT

It is important to note that while Arts South Australia staff manage the funding programs, they do not determine the final outcomes.

Peer assessment is central to Arts South Australia's funding process. Arts South Australia peer panels are comprised of individuals who are recognised for their artistic achievements, artform knowledge and professional standing. Most are practicing artists but panels also include arts managers, arts workers and others with relevant knowledge and experience.

Peer panels make funding recommendations to the Premier or Arts South Australia (as his delegate). Funding is approved based on their recommendations.

Panels usually meet for one to two days. They rigorously assess applications against program criteria to prepare recommendations. If necessary, an application may be sent to external assessors for comment.

There is usually a greater number of worthy applications than the available funds can support.

The Organisations assessment panel will assess all applications according to the extent to which the application addresses the criteria and application requirements.

AFTER YOU SUBMIT YOUR APPLICATION

Applicants will be assessed on the basis of their written application and a round-table discussion between members of the organisation and the panel.

The panel may also take into account any of the following:

- attendance at, and appraisals of, events and/or activities by organisations
- invited, external peer reviews
- industry reviews, videos and recordings, referee reports and other support material
- previous Arts South Australia grant acquittal and evaluation reports
- broader Government policies, directions and priorities
- meeting the funding criteria and performing well over past funding periods will not necessarily entitle an applicant to funding beyond the current period. Ultimately the success of the application will rest on its merits against the criteria in competition with all other applicants.

A summary of the panel's recommendations will be provided to applicants. Feedback on successful and unsuccessful applications will also be available.

PERFORMANCE-BASED FUNDING AGREEMENTS

All funded organisations will be required to enter into a performance-based funding agreement with Arts South Australia for the period of funding.

REPORTING

Organisations will be expected to provide an artistic and financial acquittal upon completion of the funding period.

APPROVAL, NOTIFICATION AND ADVICE

Once the panels' recommendations are considered and approved, all applicants will be notified of the outcome by mail or email. Due to the length of the assessment process, applicants may not be notified of the outcome until close to the eligible start date. Applicants who are unsuccessful in a round, but who plan to submit future applications, may seek feedback from Arts South Australia if available.
