# IMPORTANT INFORMATION

## WORKING WITH CHILDREN IN ART

Arts South Australia has protocols to address the depiction of children in works, exhibitions and publications that it funds.

The protocols are designed to help artists and arts organisations understand their legal obligations and to establish responsible steps for artists when they are involving children in the creation, exhibition or distribution of creative works (including photography, painting, printmaking, performance, sculpture, written text, drawing and digital imagery).

Protocols can be downloaded [here](#).

## RESPECTFUL BEHAVIOURS

The safety and wellbeing of everyone working in, and engaging with, the South Australian arts and cultural sector is of paramount importance. Arts South Australia is committed to a zero-tolerance approach to all forms of victimisation, bullying and harassment, including sexual harassment.

Arts South Australia has taken a proactive, leadership approach to this serious issue, announcing that from 1 March 2018 it is a condition of all Arts South Australia funding and grants that recipients must adopt and implement a Respectful Behaviours policy and procedure.

Further information about Respectful Behaviours, and resources to assist you to develop a policy and procedure for your organisation or project, are available [here](#).

## ABORIGINAL AND TORRES STRAIT ISLANDER PROTOCOLS

Arts South Australia endeavours to work with artists and organisations to ensure respect and acknowledgement for Aboriginal and Torres Strait Islander people and cultures at every stage of a project's development.

For more information on ATSI protocols click [here](#).

If your application is successful, your personal details and the details of your application (including support material, the amount of funding you receive, the information you provide in your reports, and text and images relating to the funded activity) may be used, with your consent, for marketing and promotion of funding outcomes and South Australian arts and culture. # AFTER YOU SUBMIT YOUR APPLICATION

## PROCESSING

Applications are registered and processed by Arts South Australia staff. You will receive acknowledgment of receipt of your application via email. Submitted applications can be viewed at any time by logging into the portal.

## ASSESSMENT

It is important to note that while Arts South Australia staff manage the funding programs, they do not determine the final outcomes.

Peer assessment is central to Arts South Australia's funding process. Arts South Australia peer panels are comprised of individuals who are recognised for their artistic achievements, artform knowledge and professional standing. Most are practising artists but panels also include arts managers, arts workers and others with relevant knowledge and experience.

Peer panels make funding recommendations to the Premier, who is responsible for the portfolio, or Arts South Australia (as his delegate). Funding is approved based on their recommendations.

Panels usually meet for one to two days. They rigorously assess applications against program criteria to prepare recommendations. If necessary, an application may be sent to external assessors for comment.

There is usually a greater number of worthy applications than the available funds can support.

## **APPROVAL, NOTIFICATION AND ADVICE**

Once the panel's recommendations are considered and approved, all applicants will be notified of the outcome by mail or email. Due to the length of the assessment process, applicants may not be notified of the outcome until close to the eligible start date. Applicants who are unsuccessful in a round, but who plan to submit future applications, may seek feedback from Arts South Australia if available.
